

We recommend taking the Golden West Airport Shuttle

Golden West Airport Shuttle:

\$47 each way – not including gratuity (shared)

<http://www.goldenwestairportshuttle.com/>

Please note that Golden West is not able to offer a discount for individual bookings. However, if you will be arriving or departing with a colleague or colleagues they will honor the “family rate” of \$47 for the first person and \$15 for each additional person on a single reservation.

The reservation must be made and paid for by a single individual, as Golden West is not able to split up the cost for those wishing to take advantage of the “family rate”.

Super Shuttle:

Shuttle Van - \$45.00 one-way or \$84.00 roundtrip (discounted) per person.

ExecuCar Sedan - \$70 one-way or \$140 roundtrip.

The above rates do not include gratuity.
